

Supplement to my Records Request

Attached is a four-page 2008 Local Government Officer Roster” that lists all the “local government officers” in Wanaque Borough (Passaic County) and reports, for each, whether or not a Financial Disclosure Statement was filed. I would like the most recent version of same or similar record filed in your municipality.

Note that I do NOT want the report that records whether or not officials filed the statements that are due on April 30, 2009. Rather, I want the most recent version of the report that shows which officials filed (and which officials did not file) the statements due on April 30, 2008.
